

# Mineral Locality Symposium

## Geology and Minerals of the Owens Valley

April 26 & 27, 2008 - *Sponsored By:*

### Southern California Chapter of the Friends of Mineralogy

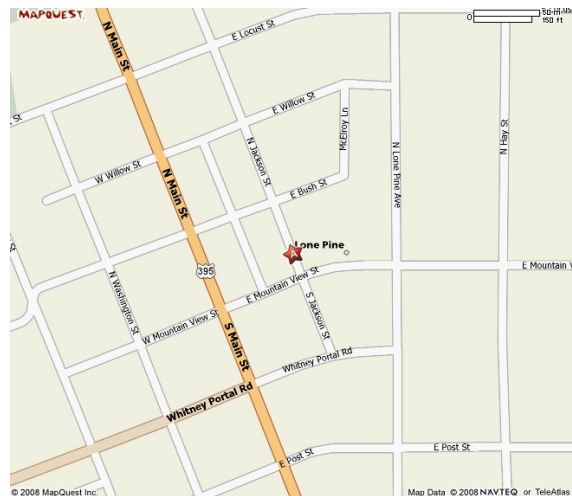

Lone Pine Senior Center Statham Hall

138 Jackson Street

Lone Pine, CA 93545

Tel: (760) 876-5518

From the Los Angeles Basin take I-15 north to US-395  
(*just over the Cajon crest*) and go north past Ridgecrest  
and the Owens Dry Lake. In Lone Pine, Jackson Street is  
two blocks east (right) of 395. *Go right on East Mountain  
View and left on Jackson Street.*
