

Mineral Locality Symposium

Geology and Minerals of the Owens Valley

April 26 & 27, 2008 - *Sponsored By:*

Southern California Chapter of the Friends of Mineralogy

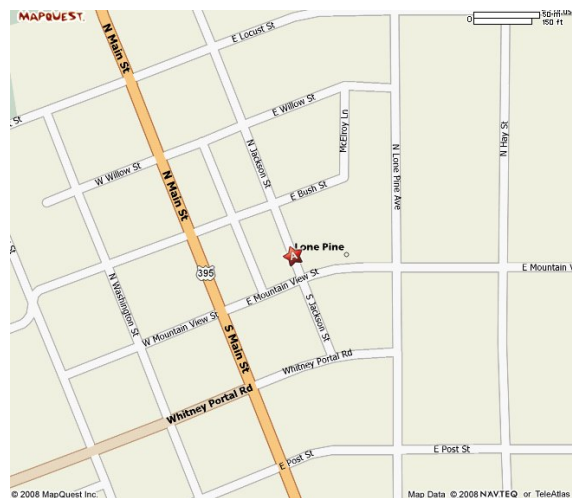

Lone Pine Senior Center Statham Hall

138 Jackson Street

Lone Pine, CA 93545

Tel: (760) 876-5518

From the Los Angeles Basin take I-15 north to US-395 (just over the Cajon crest) and go north past Ridgecrest and the Owens Dry Lake. In Lone Pine, Jackson Street is two blocks east (right) of 395. Go right on East Mountain View and left on Jackson Street.
